EFP is pleased to invite its members to attend the first-ever “EFP master clinic” conference.

This new winter meeting format will address individual topics in an in-depth, high-standard manner. European master clinicians will lecture on “Peri-implant Plastic and Reconstructive Surgery” from February 7 – 8, 2014 in Paris. For an optimum learning experience, participation will be limited. Be sure to bookmark www.efp.net for updates!
